

Let us know

If you see violations of human rights and environmental protection

1
Have you witnessed violations of human rights or environmental protection in Swiss Post's supply chain?

2
Let us know anonymously using our platform postcourage.ch

3
You will then receive a code. Please make a note of it. It will allow us to contact you anonymously.

4
We will ensure that your case is clarified internally.

5
If your complaint is justified and a violation against the Swiss Post supplier code of conduct is found, we will take the appropriate measures.
