Many areas of application for the low power network

- > Customer feedback sensor
- > Equipment status
- > Water & gas meters
- > Vending machines
- > Smart buttons for facility management
- > ...
- > Smart buttons to carry out services
- > Intelligent letter box
- > Smoke detectors
- > Emergency call (children, senior citizens)
- > Tank monitoring
- > Intelligent toy

> ...

- > Animal tracking/sensing
- > Ground moisture
- > Forest fire monitoring
- > Avalanche monitoring
- > Mudslide detection
- > ...

Smart city

- > Consignments/logistics
- > Supply chain
- > Cold chain
- > Bicycles
- > Pets
- > Valuable goods
- > Skips
- > ...

- > Smart parking
- > Water & gas meters
- > Water hydrants
- > Bridge monitoring
- > Street lights
- > Waste bins/containers
- > Environmental sensors (CO₂, NOx,...)
- > ...
